

Key points about the flightcase are:

- Constructed from hard-wearing 9mm Vamaldeck flightcase board
- Designed to work in conjunction with the Ethos VA dolly and three interlinked Ethos VA cabinets
- 4 off heavy duty butterfly latches secure the lid to the dolly
- 4 off heavy duty locking Guitel castors for easy maneuverability
- 14 off heavy duty handles allow easy carrying/lifting options
- Castor cups in the top allow two flightcases to be stacked
- Flightcases will fit two wide in a Sprinter van, or four wide across a 40Ft. wagon when stacked on their side
- Weight: 122kg (including dolly and 3 Ethos VA)
