

Key points about the flightcase are:

- Constructed from hard-wearing 9mm plastic flightcase board
- Designed to hold 2 off LM12 speakers
- 4 off heavy duty butterfly latches secure the lid to the base
- 4 off heavy duty Guitel castors for easy maneuverability
- 6 off heavy duty handles allow easy carrying/lifting options
- Fully lined with 25mm ether foam for protecting the speakers
- Central divide separates the speakers
